DURHAM

Game Schedule

To access your game schedule, mark your attendance and view your team roster, log into your player's account on our website at www.MLTriangle.com.

Weekly Attendance is expected.

Your team is counting on you!

- ▶ If your player cannot attend a game, ***please mark your player unavailable by 5 p.m. Wednesday*** online, using their player account. We need this information to create line-ups and recruit volunteers. The attendance system shuts down Wednesday night through Saturday.
- ▶ If an unexpected situation or emergency arises after the Wednesday 5pm deadline, please contact your coach. Their contact information is available on your player account.
- ▶ ***Parent/Guardian must be present at the field at all times*** throughout your player's game. Parents are expected to be the first responder in a case of illness, accident or injury to their player.

Game Time

Arrive 20 minutes BEFORE game time and report to the team tables. This time is used to successfully partner players with volunteers. Timeliness creates less stress for everyone - especially your player. Players who arrive *after* teams go to the field may be required to provide their own buddy for at least the first 15 minutes of the game.

After the game

- ▶ Parents should meet their player & Buddy at the gate by the team's dugout promptly at the end of the game. *Note, a parent/guardian must be present at the field at all times throughout your players game.*

Uniforms/Dress

- ▶ Players must wear this season's current jersey and ball cap. Wearing the correct uniform helps announcers call players by name.
- ▶ Your player should wear athletic shoes (no cleats or flip flops) and other comfortable clothing (i.e. shorts, sweat pants) appropriate for playing ball.

Inclement weather

Games will be played through light rain, unless conditions are deemed unsafe. Cancellations or postponements due to inclement weather will be posted across our home page at www.MLTriangle.com and on Facebook as soon as a decision is made.

Nick names and songs

If you did not upload your music via the website prior to the first game, please submit it in mp3 format via email to TKeen@MLTriangle.com or on a CD labeled with the player's name, team name and song title

- ▶ Changes should be given to your coaches or Miracle League staff once per season. Please do not disrupt announcers during a game to submit changes. Upload option is not available once the season has started.

Registration fees

Any outstanding registration fees will be collected at the first game or can be paid via PayPal when logged into your player account. Payments not received by game 6 may incur a \$10 late fee.

Medical treatment

Any medical treatment or nourishment should be provided off the field, outside of the dugout.

No Pets

Only identifiable service animals are allowed on the grounds. Please notify family and friends who come to watch the games of this rule.

Special buddies

- ▶ If your player has a specific, dedicated buddy who will be helping at each game, including a family member, that person must be registered online as a volunteer and request your child each season. The request should be made on the Miracle League website at least 48 hours prior to game time.
- ▶ All designated buddies must check in at Volunteer Registration before going to the team table each week.
- ▶ *Only registered volunteers (12 yrs. and older), coaches, staff and players are allowed on the ball field and in the dugouts.*
