It's more than an ordinary baseball game. It's an expression of sheer joy!

The idea started with two Cary men, Robin Rose and Tony Withers. In 2004, they saw a TV special about the Miracle League, an organization dedicated to providing special needs kids with a chance to play baseball. The two were inspired and set about building both the field the kids would need and the organization we know as The Miracle League of the Triangle.

They called on friends, business partners, local civic groups — anybody who would listen and who seemed likely to help. Within two years, they had built a top-notch, specially designed field in Cary, and in 2006, the season opened with 106 players. Within a few years, the number of players passed 300 and the league added a second field in North Wake County. In March of 2023, we proudly inaugurated a third field in Durham, marking another stride towards our goal of accommodating 1,000 players.
